

## **Eau Claire's 150<sup>th</sup> Birthday Celebration at the Chippewa Valley Museum**

Eau Claire will celebrate its 150th year as a city in 2022. The year-long sesquicentennial celebration will officially launch on Saturday, March 19, 2022 from 12pm to 2pm, with a "birthday party" at the Chippewa Valley Museum. We'll celebrate 150 years of hard work, innovation, creativity, and adventure. Yes, there will be cake (while it lasts!)

The festivities will begin with Interim City Manager, Dave Solberg reading the City of Eau Claire "Eau Claire Day" proclamation at noon. A slideshow of historic images, courtesy of the Chippewa Valley Museum, will then be presented.

Community families, Chamber of Commerce Members, City Council Members, County Board Members, and our local media friends are invited to attend.

Visit Eau Claire has a dedicated webpage for our 150th year celebration. It includes upcoming events, 'Five Ideas for Celebrating' that you or your business can use, sponsorship opportunities, marketing materials for your business (including the official sesquicentennial logo seen above), and more to come through the year! Go to [VisitEauClaire.com/150th](https://www.visit Eau Claire.com/150th) for more information.

If your business has an upcoming event or special to be featured on the website, please direct your submission to Benny Anderson at Visit Eau Claire.
